

## Reviva for Bus Fleets -

# If You Like Your Medium Duty Well Done.

Reviva offers a full line of medium duty remanufactured diesel engines for all bus & transit fleets.

All of Reviva's complete-drop in engines are dyno-tested and configured for quick installation. Our goal is to deliver an engine that can be installed in 8 hours or less—ensuring you're back up and running in days, rather than weeks or months.

## Why Reviva for your Bus Fleet?

- Products Meet or Exceed OEM Specifications
- Little to no modification required at install
- High quality, cost-effective alternative to vehicle replacement
- 100% dyno tested Complete drop-in engines
- Delivers OEM torque & horsepower
